WERKS ®
Tool Holders

Using slotted tool holders

Using perforated tool holders

Usage
Designed for use with our range of WERKS Perforated and Slotted Louvre panel products such as Cabinets, Shadow boards, Tool Trolleys and Cleaning Stations.

Features & Benefits
- Compatible with all WERKS Panels, Cabinets and Partition Walls
- There is a comprehensive range of hanging tools for most applications
- Available individually or in packs of 10, 28 or 40 mixed pieces.
- Tool holders with the little red screw are suitable for Perforated Panels; tool holders without the red screws are suitable for slotted louvre panels
